* We calculated our nutritional information using standard product formulations and serving sizes and information provided by our suppliers. Actual nutritional values may vary because of seasonal variances; differences in suppliers, ingredients, recipes, and preparation techniques; and rounding of fractional values. You should expect some variation in the nutrition content of the products purchased in our restaurants. We have not included information on limited time promotional offers or test products. The nutritional information applies to our company-owned Del Taco restaurants. Some of our franchised Del Taco restaurants may use different ingredients in the preparation of some of their menu items. Those differences may affect the nutritional values.

*2,000 calories a day is used for general nutrition advice, but calorie needs vary.
