Please be advised that there is a possibility for cross contact with allergens and animal products within Del Taco kitchens and prep areas. A vegetarian diet does not include any meat, poultry, game, fish, shellfish or by-products of animal slaughter.

A vegan diet avoids animal foods such as meat, poultry, game, fish, shellfish, dairy, eggs and honey.

Please be advised that there is a possibility for cross contact with sesame seeds (declared a Top 9 Allergen as of January 2023) within Del Taco kitchens and hamburger prep areas.

\*Please be aware that our restaurants use the same frying oil to prepare menu items that could have meat in them. All vegetarian ingredients may possibly come into contact with meat ingredients, which may be ınacceptable to particular kinds of vegetarian eating plans. We cannot confirm whether any of our ingredients did not come into contact with meat products. This holds true for Del Taco and/or our franchisees.
